HUNGER STRIKE: END 24-HOUR WORKDAYS!

In NYC, women of color home attendants are killed working 24-hour shifts, for days in a row! The 24-hour workdays brutalize their health and endanger their patients' lives.

Hundreds of home attendants have been protesting at City Hall every month. But Council Speaker Adrienne Adams, the leader of the first majority-women City Council, refuses to bring the "No More 24" Act to a vote, instead siding with homecare and insurance companies!

**WE HUNGER STRIKE TO DEMAND
SPEAKER ADAMS STAND WITH WOMEN
OF COLOR AND BRING THE
"NO MORE 24" ACT TO A VOTE!**

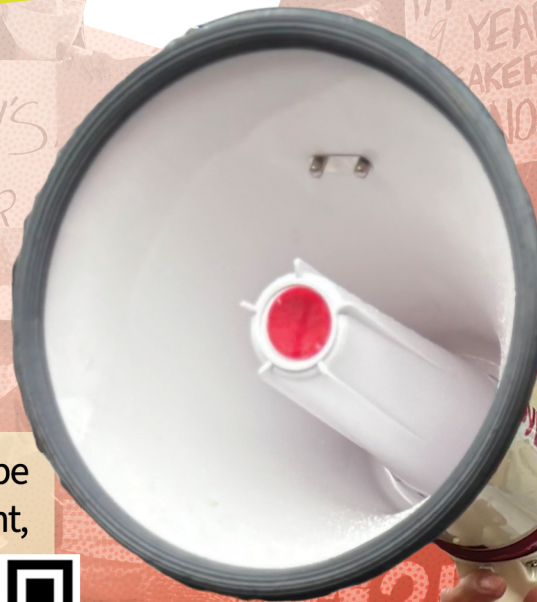

WHAT YOU CAN DO:

1. Come support! We'll be hunger striking day & night, starting MAR 20. Spread the word & join planning:
